# VIVA OUR FESTIVAL!

**The month of June** begins, and with it our Festival. The days of Saint Anthony, Saint John and Saint Peter will pass without singing in person the traditional hinários in our churches, but we will have programming on Radio Jagube and on the Jagube Channel that will permit us to maintain a special connection during these times. On June 25th, we will commemorate our matriarch Madrinha Rita's 95th birthday. It is a special moment for all the fellowship of Padrinho Sebastião in this year of his Centennial. The June festival closes on July 6, commemorating the passage of Mestre Irineu.
