 INFORMA

“The Old World is explained in the hymns, in the Bible and in other spiritual books, which bring messages from the spirits to warn us here on Earth. At this moment, let’s study and try to understand our hymns even more. We ask for protection from our guide Padrinho Sebastião, so that we may have our path open to the New World.”

ONLINE FESTIVAL 2020

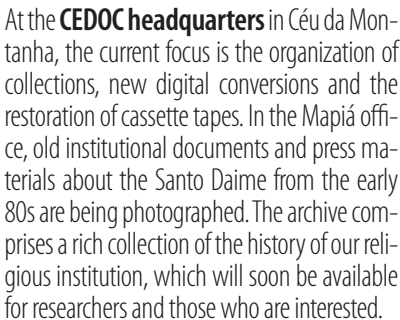

The **global irmandade of Santo Daime** gathered for the June Festival in the online works hosted by Canal Jagube and Rádio Jagube. We started with Santo Antônio, we participated in the Rei Curador work, we continued with Saint John, the 95th birthday of Madrinha Rita, São Pedro, and finally Mestre Irineu's Passage and the Santa Missa, all live. Moments of great joy and union of this powerful and healing current.

ARTISTIC TOUCHES

Decorations and ornaments destined for the **New Church in Mapiá** are being produced in São Paulo. An art that uses numbers, signs and esoteric icons, adapted to the theme of the forest. A work of pure arts, developed by our brother and artist Sílvio Galvão. Currently, models are being produced, from which casts will be made to make ornaments in concrete.

SERVING THE COMMUNITY

The **Vila Céu do Mapiá Residents' Association**, in partnership with ICEFLU, Santa Casa, IDARIS, ISAVIÇOSA and Instituto Nova Era, and with the fund of the Mapiá Health Campaign, distributed 58 basic food baskets and 40 Verdes (community currency) to the residents that did not receive any government benefit related to pandemic aid. This was one of the many actions financed by the Mapiá Health Campaign, which still continues!

SOCIAL ACTION

The **Social Promotion Committee** of IDARIS, in partnership with AMVCM, visited several homes in Mapiá, to identify families with greater vulnerability. Folders and catalogs of products and commercial services of the Community Economy Strengthening Network (FORTES Network) were distributed, aiming to boost and value local producers and service providers.

INFRASTRUCTURE IMPROVEMENTS IN CÉU DO MAPIÁ

With the **Mapiá Health Campaign** fund and lumber obtained from Community Forest Management, a new walkway was built in the community to facilitate pedestrians' access, especially the elderly, to the health services offered at the Health Center and the Padrinho Manoel Corrente Santa Casa.

THE CAMPAIGN CONTINUES!

Launched on May 7th, the health fundraising campaign continues with broad participation from the Irmandade! The next step is to raise, as part of the total goal, 30 thousand reais by July 15th, for the acquisition, transport and installation of a generator that will supply energy to Santa Casa, Health Center and the Chapéu de Palha center. MESTRE IRINEU AND PADRINHO LUIZ MENDES

June 29, 2020, the Day of Saint Peter, marked one year since Padrinho Luiz Mendes do Nascimento's transition to the spiritual realm. And on July 6, the 49th anniversary of Mestre Raimundo Irineu Serra's passage. We salute the living spirit of our Imperial Master and our Counselor. Life is continuation!

The Institution works at an intense pace. We would like to remind all of the importance of maintaining membership contributions. Now more than ever, this aid from old and new associates is essential. We count on all the community in this new moment of union and strength for our doctrine, our forest and our memory
