SANTO DAIME

INFORMA

"Padrinho Sebastião, echoing what he had heard from Mestre, came to say again: 'I want my center to be well documented!' He even joked, saying that it was us - 'the literary types' - that would be able to help him in this."

Alex Polari de Alverga

PADRINHO ALFREDO'S RECOVERY

Padrinho Alfredo has undergone medical care in São Paulo and will not require surgery, only rest and calmness so his vertebral fracture can heal properly. He is resting at the home of a brother in São Paulo, under the care of family and friends. Many thanks to all the irmandade for the well-wishes and prayers for his health, we move forward in this current.

NEW STEPS

Recently completed work includes the installation of carbon fiber for structural reinforcement of the beams and columns that will support the roof of the church. The next step, already underway, is the reinforcement of the foundation.

NEW CHURCH PROJECT

CONSTRUCTION PROCEEDS ON THE
DOME-SHAPED CUPOLA WHICH WILL
COVER THE TOMB OF PAD. SEBASTIÃO

THE WORK CONTINUES

Collection, digitalization, and cataloguing of the archives. The emphasis now is the archival organization of the various types of media that have been collected, using the appropriate techniques and the Tainacan software package, which is utilized by many museums in Brazil.

Visit our site to see a sample of the archives.

ORGANIZATION AND PLANTING

This March, the Feitio School is helping with the distribution center in Céu de Maria, São Paulo, for the organization and distribution of the Sacrament. Additionally, community works are being undertaken for the planting and replanting of Jagube and Rainha in the gardens near the city of Sete Barras, in the interior of São Paulo.

THE CRUZEIRO DO CÉU STATE SCHOOL RENEWS ITS METHODOLOGIES

In January, with help from the lúna Collective, the Cruzeiro do Céu State School began the process of reconstruction and renovation of its teaching methodologies. Specialists and educators worked with the Methodology of Learning Projects, undertook activities so that the community might live the day-to-day of an innovative school, and began the process of adapting the **Pedagogic Politics Project**, to enable this to represent the new reality of the community school.

NON-VIOLENT COMMUNICATION IN MAPIÁ

In February, the members of the Dialog Institute - **Felipe Alcure** (director of Céu de São Sebastião in Paraná) and **Olívia Braschi** were in Mapiá for a visit to continue their work of Restorative Justice and Non-Violent Communication. During their stay, they worked with teachers and collaborators of the Cruzeiro do Céu State School, with the Community Forest Management group and with those involved in the Village Master Plan.

VISIT CÉU DO MAPIÁ DURING THE CENTENNIAL YEAR OF PADRINHO SEBASTIÃO

For those who plan to visit Céu do Mapiá in this commemorative year of the Centennial of **Padrinho Sebastião**, please remember that filling out the visitor registration form is of fundamental importance and should be done for visits during any part of the year.

THANK YOU PLANT MEDICINE

In February, the Jagube Channel joined the [#gratidãoplantasmedicinais](#) campaign, aligned with organizations including ICEERS, Chacrana, and the Psychedelic Societies of the United Kingdom, Holland, Austria, Australia, New Zealand, and others. A video was published with a call to the campaign made by Alex Polari.

SEWING THE PATCHWORK

Vó Biná's book reflects upon emotional moments of her lifetime with Santo Daime. "Costurando os Retalhos" (Sewing the Patchwork), which will be published by Editora Yagé, allows the reader to get closer to highly esteemed individuals like Padrinho Sebastião, Padrinho Alfredo, Madrinha Rita and all the Madrinhas of our Doctrine.

THE PATRIARCH SAINT JOSEPH

Among the spiritual works in March, the irmandade of Santo Daime will be reunited to celebrate the **Patriarch Saint Joseph's** day. The hinário of our dear Padrinho Alfredo will be sung. Wishing good works to all the churches connected to Santo Daime — ICEFLU — Nova Dimensão.
